

Interreg 2021-2027

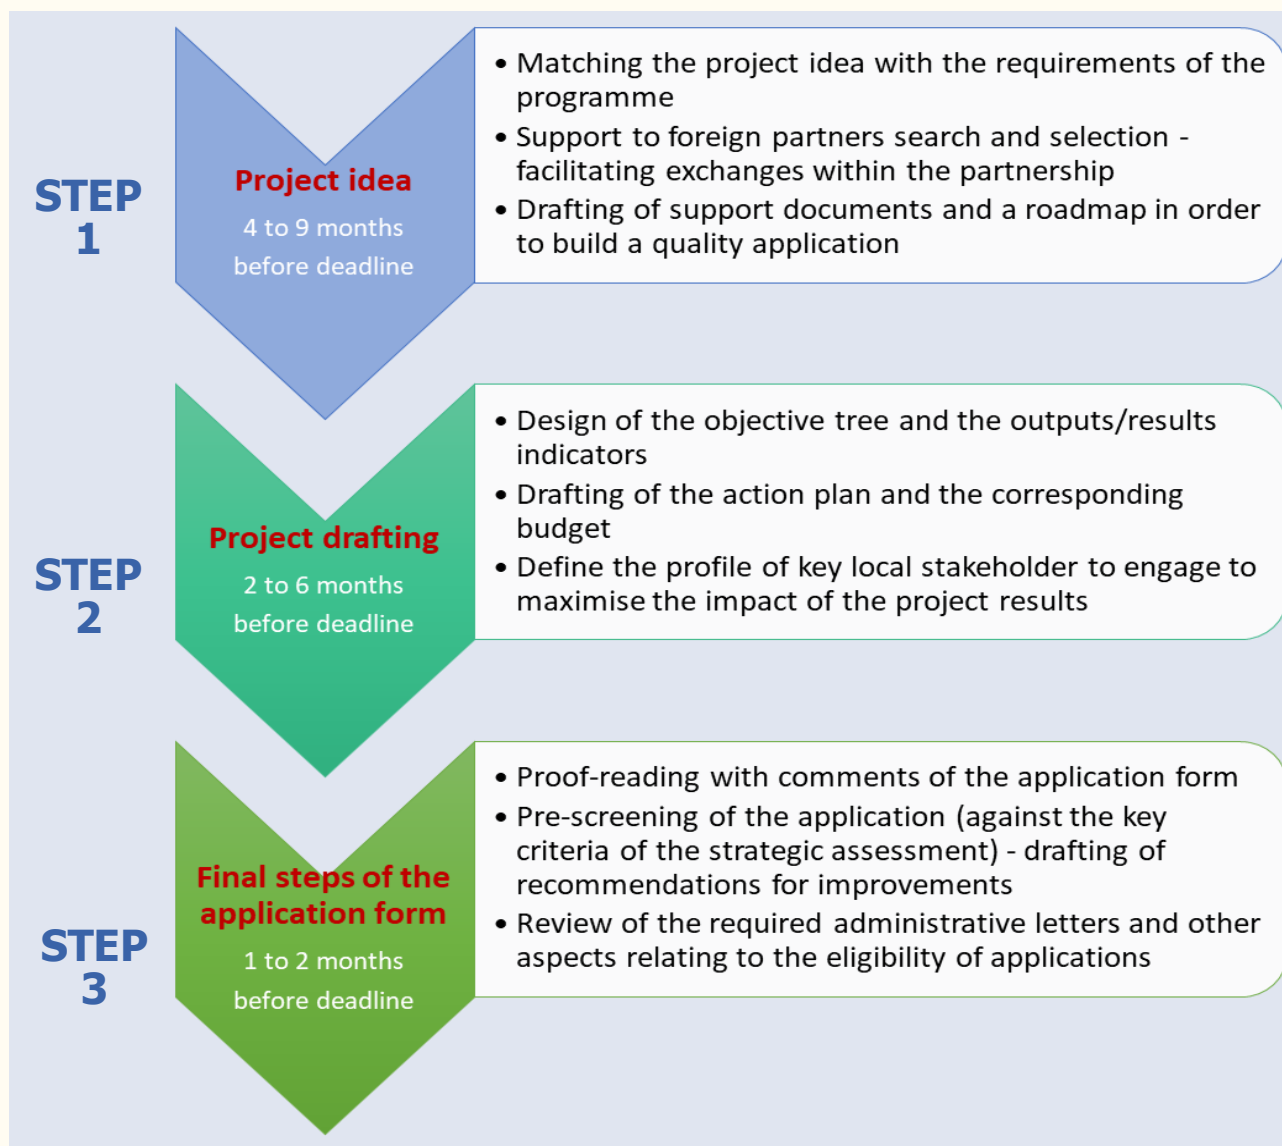

Support in setting up projects

A rigorous methodology to support you step by step

A service tailored to your needs

- Very early in the call for proposals to get your project idea on track (STEP 1, or even 2)
- And / Or in the final phase of preparing your application to optimise its chances of selection (STEP 3)

Expertise that bridges the gap between your expectations and the requirements of programme managers

- Support for the setting up of around 20 INTERREG projects, in particular in the framework of the following programmes (Interreg IVC / Interreg Europe, MED, POCTEFA, etc.)
- Involvement in the drafting of nearly ten INTERREG programmes (in particular Interreg Europe 2014-2020 and 2021-2027, Deux Mers, POCTEFA, etc.)
- 3-year experience in the joint secretariat (JS) of the South-West Europe programme (SUDOE) as transnational project officer.
